What is a cooperative enterprise?

Cooperatives are a type of **Social Enterprise** (Defourny & Nyssens, 2010) & key actors of the **Social and Solidarity Economy** (UN, ILO, OECD, EU).

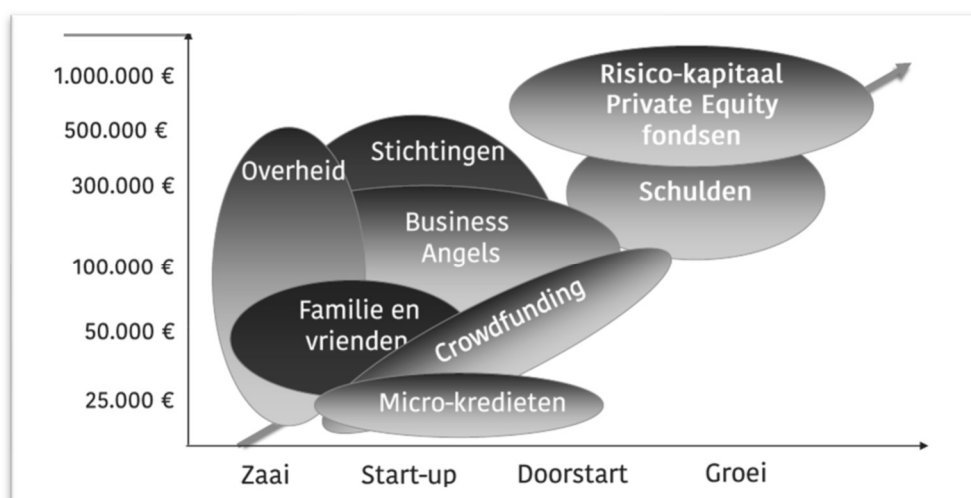

As defined by the ICA (2015), they are driven by **6 cooperative values** (self-help, self-responsibility, democracy, equality, equity, and solidarity) and **7 cooperative principles** (voluntary membership; democratic control; economic member participation; autonomy; education and training; cooperation among cooperatives; and concern for community).
