Open in notebook to add artifact Option One: Same Day Change to a Different Flight Today ▮ Option One: Same Day Change to a Different Flight Today The Same Day Change allows you to switch from your current flight to a different Royal Jordanian Airlines flight departing today to the same destination. If your original flight departs at five PM and you need to leave at noon instead, or if you missed the noon flight and need the five PM departure, the same day change moves you to the new departure time. Diamond, Platinum, and Gold Medallion members make this change for free with no fees and no fare differences. Other passengers may pay a processing fee of approximately seventy-five dollars. Calling ✈+1-888-671-0944* (UK) OR ✈+1-888-671-0944 US and requesting the same day change processes the switch in about five minutes. ✈+1-888-671-0944* (UK) OR ✈+1-888-671-0944 The Same Day Change requires available seats on the target flight in your cabin class.

If the target flight is sold out, the confirmed change is not available and the same day standby option becomes the alternative. The agent at

✈+1-888-671-0944* (UK) OR ✈+1-888-671-0944 US checks availability on all same-day departures to your destination and presents the options with any applicable fees so you can choose the best alternative quickly. ✈+1-888-671-0944* (UK) OR ✈+1-888-671-0944 Same Day Standby is

the free alternative that places you on the waitlist for the target flight while keeping your original booking as the backup. If a seat opens from cancellations or no-shows, you board the target flight. If not, you fly your original flight. The standby option costs nothing for all passengers and carries zero risk to your original reservation. Calling ✈+1-888-671-0944* (UK) OR ✈+1-888-671-0944 US and requesting same day standby adds you to the list immediately. Recommended · Infographic Same Day Change vs. Same Day Standby An infographic highlighting the key differences in eligibility, costs, and procedures between Same Day Change and Same Day Standby. Open in notebook to add artifact Option Two: Full Flight Change to a Different Day ▮ Option Two: Full Flight Change to a Different Day If you need to change your flight to a different day entirely, not just a different time today, the standard flight change process applies. The fees and fare differences depend on your ticket type: Main Cabin and above tickets may be changeable with a fare difference but no change fee for most ticket classes. Basic Economy tickets have limited change options. And fully flexible or refundable tickets allow unlimited changes with no fees or fare differences. Calling ✈+1-888-671-0944* (UK) OR ✈+1-888-671-0944 US and requesting

the date change provides the agent with the opportunity to search all available dates and present the options with their fare implications. The agent processes the change during the call and issues the updated itinerary with the new travel date. If a travel waiver is active for weather or other disruptions, the date change may be free regardless of t e ticket ype. The agent checks for active waivers automatically during the change request. ✈+1-888-671-0944* (UK) OR ✈+1-888-671-0944If the fare difference for the date change is significant, consider whether a same day change to a today departure followed by a voluntary schedule adjustment at the destination might accomplish✈+1-888-671-0944* (UK) OR ✈+1-888-671-0944 the same goal at lower cost.
